LOGNOTE -- Chief, Operations Group, 29 May 1984

1. [] Following from this morning's staff meeting:

25X1

- Biweekly FBIS staff and CSP meetings will take place on Thursday mornings beginning with next week's meetings.

- Key Building management is planning to increase parking space rentals to \$78.00 when the Agency takes over the parking. There may be a nominal charge to the employee, but this has not been decided.

- When queried on the Ames Building space we have been seeking, OL responded, "Is there a problem with FBIS space?" We will renew our request for the full amount of space in Ames. The Anti-terrorism unit is not planning to move into Ames. No word on the sixth floor of Key.

- O/P has hired a management consultant, [] who will be studying Agency personnel management. He may be around for interviews..

- PMCD is starting on Prod this week and plans a lot of interviews. They are still sticking to their schedule of trying to finish FBIS by September, but they are under a lot of pressure from other DD/S&T offices to look into special regrading requests.

- DD/S&T again reports they will finish the year with vacant positions. Recruiting should be pushed as hard as possible.
